

SNL/NM Manual Dialing Guide For Polycom or a Tandberg

A dialing string consists of two basic parts.
Access Code (**YYYY**) and Area Code (**AAA**) followed by Video Number (**NNNNNNN**).
Combine the parts to make the dialing strings.
YYYYAAANNNNNNN

Note: Calls to Sandia/California can be dialed with only seven digits.
(No area code required) (No access code required) (Configuration code is required)
See dialing examples below.
