

DOE OE Energy Storage Reliability Workshop

June 14-15, 2016 | Kennewick, WA

TUESDAY JUNE 14, 2016

7:00-8:00am	Morning Refreshments and Check-In
8:00-8:30am	Introduction and Opening Remarks
8:30-9:50am	Group Session 1: Broad Perspectives On Reliability
9:50-10:10am	Break
10:10-11:30am	Group Session 2: Reliability of Energy Storage Systems
11:30-1:00pm	Lunch
1:00-2:00pm	Group Session 3: Warranty, Certification and Testing
2:00-3:30pm	Workshop Session #1: Reliability Needs and Challenges
3:30-4:00pm	Break
4:00-5:00pm	Group Session 4: Report Out – Reliability Needs and Challenges
5:00pm	Reception

WEDNESDAY JUNE 15, 2016

7:00-8:00am	Morning Refreshments
8:00-8:20am	Opening Remarks
8:20-9:40am	Group Session 5: Reliability Testing and Forecasting
9:40-10:00am	Break
10:00-11:30am	Workshop Session #2: R&D Needs for Reliability Testing and Forecasting
11:30-12:15pm	Group Session 6: Report Out - R&D Needs for Reliability Testing and Forecasting
12:15-12:30pm	Closing Remarks
