Contractor Pass Request Instructions

In order to be in compliance with the DBIDS implementation and be able to access KAFB (which grants access to Sandia Labs simultaneously), you are required by the Air Force to enroll and obtain a DBIDS pass.

If all sections of the form are not completed, the Air Force will NOT process the request. Failure to complete this form will result in your denied access to Kirtland Air Force Base/Sandia Laboratories.

If you have a current government issued ID you do not need to complete the DBIDS forms. Please send an email to your Hiring Associates acknowledging that you have a card that grants you access to Military Facilities.
