

How to Use this CD

Solar Energy Technologies Systems Symposium *Research and Development for Tomorrow's Solar Applications*

Agenda

Speakers' Biographies

Attendees List and Contact Information

To View Presentations from the Agenda;

- Click on the bookmark with the title of the presentation you are looking for
 - Bookmarks are on the left side of the screen. The Bookmarks are hierarchical where the day of the symposium is the first level, the name of the session on that day is the next level, and the individual presentations are listed on the next level.
- Click on the title of the presentation in the Agenda.
 - Each title listed in the Agenda is linked to that presentation just like a web page, click on the title and it will open that presentation.

To Return to the Agenda;

- Almost all pages have a bookmark for the Symposium Agenda,
- Click on this bookmark and the agenda will open.
- There are a few presentations that do not have a bookmark to get back to the Agenda.
 - To return to the Agenda without a bookmark, click the Back Arrow in Adobe Acrobat.
 - This will take you to the last document that you were viewing, which should be the Agenda.

To View a Short Biography of a Speaker;

- From the Agenda, go to the Bookmarks on the left side of the screen, then
- Click on Speakers' Biographies
 - Speakers are listed in alphabetical order by their last names
- You can either scroll down the page to find the speaker you are looking for, or
- Open the Speakers folder in the Bookmarks, find the speaker you want, then
 - Click on the name. This will take you to their biography on the page.

To View Presentations from the Speakers' Biographies Page;

- Find the Speaker whose presentation you want to view,
- Click on the name of the speaker in the text of the page,
- This will open the presentation that they delivered at the symposium.

For a List of all Attendees and Their Contact Information;

- From the Agenda, go to the Bookmarks on the left side of the screen, then
- Click on Attendees List / Contact Information.
 - Most Attendees listed have an email address that is shown in blue
 - If you click this address, it should open your email program and allow you to email the person.

Note on a Presentation;

- The Presentation by Diver and Andraka, *Developmental Reliability Improvement of a Dish Stirling System*, has a link to a video.
 - To view this video, click on the Bookmark named Time Lapse Video.
 - This should open your QuickTime player and start playing the video.
 - If you do not have QuickTime player, you will not be able to view this video.
