INSTRUCTIONS TO OFFERORS

- Prior to the award of a contract resulting from this proposal, the offeror shall, under the conditions stated in FAR 15.804, be required to submit a Certificate of Current Cost or Pricing Data (See FAR 15.804-4 and FAR 15.806) on Sandia Form SF 6432-AAA.
- In addition to the specific information required by this form, the offeror is expected, in good faith, to incorporate in and submit with this form any additional data, supporting schedules, or substantiation which are reasonably required for the conduct of an appropriate review and analysis in the light of the specific facts of this procurement. For effective negotiations, it is essential that there be a clear understanding of: a. the existing, verifiable data; b. the judgmental factors applied in projecting from known data to the estimate; and c. the contingency used by the offeror in his/her proposed price.
- When attachment of supporting cost or pricing data to this form is impracticable, the data will be described (with schedules as appropriate) and made available to the Sandia Contracting Representative, upon request.
- By submission of this proposal, the offeror grants to the Sandia Contracting Representative, or his/her authorized representative(s), the right to examine, for the purpose of verifying the cost or pricing data submitted, those books, records, documents and other supporting data which will permit adequate evaluation of such cost or pricing data, along with the computations and projections used herein. This right may be exercised in connection with any negotiations prior to contract award.
