CI01 - ACCEPTANCE OF TERMS AND CONDITIONS Seller, by signing this Contract and/or delivering Items or services ordered under this Contract, agrees to comply with all the terms and conditions and all specifications and other documents that this Contract incorporated by reference or attachment. Sandia hereby objects to any terms and conditions contained in any acknowledgment of this Contract that are different from or in addition to those mentioned in this document. Failure of Sandia or Seller to enforce any of the provisions of this Contract shall not be construed as evidence to interpret the requirements of this Contract, nor a waiver of any requirement, nor of the right of Sandia or Seller to enforce each and every provision. All rights and obligations shall survive final performance of this Contract.

CI02 - APPLICABLE LAW The rights and obligations of the parties hereto shall be governed by this Contract and construed in accordance with federal law of government contracts and then by Article 2 of the Uniform Commercial Code as enacted in the State of delivery of Items giving rise to the claim.

CI03 - ASSIGNMENT Seller shall not assign rights or obligations to third parties without the prior written consent of Sandia. However, Seller may assign rights to be paid amounts due or to become due if Sandia is promptly furnished an executed Assignment of Payments form. Administration of this Agreement may be transferred from Sandia to DOE or its designee, and in case of such transfer and notice thereof to the Seller, Sandia shall have no further responsibilities hereunder.

CI04 - BANKRUPTCY If the Seller enters into any proceeding relating to bankruptcy, it shall give written notice via certified mail to the SCR responsible for this Contract within five days of initiation of the proceedings. CI05 - CANCELLATION OR TERMINATION FOR CONVENIENCE (a) Sandia may cancel this Contract, in whole or in part, if the Seller fails to comply with any of the terms of this Contract, or fails to provide adequate assurance of future performance. In that event, Sandia shall not be liable for any amount for Items or services not yet accepted by Sandia.

(b) Sandia may terminate for the convenience of Sandia or the Government this Contract, in whole or in part, for any Items or services not yet accepted by Sandia. In that event Sandia shall be liable for the purchase price of Items or services already completed or identified to this Contract but not yet accepted by Sandia.

CI06 - CHANGES The SCR may at any time, by written notice, make changes within the general scope of this Contract in any one or more of the following: (1) description of the services to be performed; (2) place of performance and (3) the amount of services to be furnished. If any such change causes a difference in the cost of, or the time required for performance, an equitable adjustment shall be made in the price and/or delivery schedule and other affected provisions if and only if the order has not left Seller's point of origin for transportation to Sandia. Such adjustment shall be made by written amendment to this Contract signed by both parties. Any claim for adjustment by Seller must be made within 20 days from the date of receipt of Sandia's change notice, although Sandia in its sole discretion may receive and act upon any claim for adjustment at any time before final payment. Nothing in this clause, including any disagreement with Sandia about the equitable adjustment, shall excuse Seller from proceeding with the Contract as changed.
