Summary of Your iSupplier Profile

Once you have an iSupplier account for your company, you can create and maintain a profile describing your company. Your profile will consist of Business Classifications, Supplier Details, Address Book, Contact Directory and Products and Services.

The rest of this job aid will describe how to manage the information in your company’s profile.

NOTE: Registration with Sandia National Laboratories and use of the iSupplier portal does not guarantee placement on solicitations or contract award.

Accessing your Account for the First Time

Once you have requested and registered a user account, your information will be reviewed by an administrator. After it is approved you will receive an email (Figure A) with: A link to the iSupplier portal, user name, temporary password:

Figure A

You have been registered at Sandia National Laboratories for access to their supplier collaboration network. You can log on with the username SARAH@ACME.COM and the password Ab1+29645.

When you first log on, you will be required to change your password for security purposes. Contact administrator for additional information.

Thank you.

Click on the log on link in the email. You will be directed to a new page where you will be asked to enter your username and temporary password. (Internet Explorer or Firefox web browsers are preferred.) You will then be redirected to a page where you will be asked to change your password. Enter the Password from the email then choose a new password. Confirm your new password by re-entering it into the next field below. Click Apply.

NOTE: This password must be 8 characters long. It must also contain at least 1 letter and 1 number.
*Important* If you do not use your password within 12 months, it will expire. Contact the helpdesk at supreg@sandia.gov to have it reset.

**Navigating to Your Profile**

Upon logging in, you will be directed to the iSupplier home page (Figure C). When the page loads, click on the Admin tab:

Company Profile

Upon selecting the Admin tab, you will be directed to the first page of your profile: On the Company Profile page (Figure D) you can attach your W-9 or W8, a file, URL or text that Sandia would find to be useful when looking for a supply base for a particular product or service type. This page also displays your name as it is recorded in the iSupplier database, your Tax ID number, etc.

*Important* To update your company name or tax id number you must contact your buyer.

To add an attachment, URL, text:

Under your company’s General information select Add Attachments

Figure D
Enter Title, Description then select Browse, Apply:

Your newly uploaded attachment will be shown. Edit options include Update and Delete. To delete an attachment, click the trashcan icon for that entry. To update an attachment, click the pencil icon for that entry.

**Organization**

From the Organization tab you have the ability to provide essential information about the structure of your company. This information is essential to Sandia.

On the Organization page enter all required fields as well as any additional fields as desired and appropriate.
When you have entered your desired information click Save. This will update your information both under your company’s Organization and General tabs.

Address Book

It is crucial to maintain a current address so purchase orders and payments can be issued appropriately. You can create, and remove multiple addresses i.e., Remit To (payment) sites, sales and offices in different locations and/or distribution centers. Sandia defines these addresses as vendor sites.

*Note: Old addresses must be inactivated first before a new address can be created.

To Manage Address Book Details:

On the Profile Management page, click Address Book:
The **Address Book** page displays any current addresses you have defined. To update details for an address such as an email or phone number click the pencil icon for that entry. To **inactive** an address, click the trashcan icon for that entry.

**Note:** Once you inactivate an address you will no longer be able to submit an invoice to that address. Please be careful to not remove an address that has a pending invoice.

You can verify pending invoices by going to the **Home** tab then **Invoices**.
On **Payment Status** choose *Not Paid* then click **Go**.

You will see *unpaid* invoices. To see what address was used for the invoice, click on the invoice number.

You will see the address used to pay this invoice.
To Add a New Address:

Click **create** then complete the fields including + 4 zip code. Do not include dashes on the telephone number. Add an email address which purchase order notifications should be emailed to. Select **apply** when finished.

A confirmation screen will show that your address has been added to your Address Book.

When you are finished, an administrator will be notified to review and if information is entered correctly will approve the information within 24 – 48 hours.

*Important* If you are adding a Remit To (payment) site, submit the following form for electronic payment method: **Electronic Funds Transfer Agreement**. Submit the form to the email address on the form. It will be processed and a confirmation email will be sent to the sender.
Contact Directory

From the Contact Directory page, you can create and modify the information about multiple contacts with your organization who are authorized to work with Sandia. You should create contacts who you expect will be involved with selling the company’s goods and services, accounts receivable and an administrator who will maintain the profile current. After entering the contact details, you can associate the contact to the appropriate address. Contacts can be linked to as many addresses as relevant. Each contact must be unique, based on the combination of their first name, last name and phone number. You are responsible for inactivating contacts that no longer represent your company.

From the left side of the Profile Management page, click Contact Directory. The Contact Directory page displays your company’s list of contacts.

To Add a New Contact:

On the Contact Directory page, click Create:
Complete the required fields and any additional fields as appropriate, select **Apply** when finished.

**Business Classifications**

Sandia National Laboratories has a regulatory requirement to report accurate and current business status and socioeconomic data through Sandia’s annual contractor recertification process. That means that on an annual basis, you will need to navigate to the business classifications page on your profile and recertify your business classifications.

**To Select Business Classifications:**

From the left of any Profile Management page, click the **Business Classifications** link. Note: Please read and check the certification statement prior to completing this section.
On the Business Classifications page click the applicable box to enable that classification. Select drop down menu to navigate through all business classifications.
Select applicable classifications. Enter your Certificate Number, Certifying Agency and Expiration Date when applicable.

When finished, ensure that you have checked the box certifying that the information you entered is correct.
Select **Save** when all applicable classifications have been selected.

Once you have saved your classifications, under the certification *notice* you will see both the date that your company was last certified as well as the user who certified your company.
**Products and Services**

Sandia National Laboratories has a list of categories and subcategories that are used to categorize the products and services that are acquired. This information may be used for source selection and reporting purposes. You can increase your company’s visibility by filling out the products and services section.

**To Select Products and Services:**

On the **Profile Management** page, click **Product and Services**

To add a new product/service definition, click **Add**
On the **Add Products and Services** page, browse for a required product or service. Use the drop down menu to navigate through all products and services. Select your product/service.

Select **View Sub Categories** for the Product/Service that has been selected.
On the **Add Products and Services** subcategory page, browse for a required subcategory. Use the drop down menu to navigate through the subcategories. Select the product/service subcategory and click **Apply**.

A **Confirmation** screen will show you the Product and Service categories that have been added to your profile. Select **Return to Products and Services** to view your Products and Services.

You will return to the **Products and Services** page where you will see **Pending Approval** under the **Approval Status** tab. This process usually takes 24 – 48 hours to complete.
**Surveys**

Sandia National Laboratories may at certain times wish to send a survey to its suppliers. If you receive an email stating that you have a survey, you will find it under **Surveys** in your **Company Profile**.

You have completed the Managing Your iSupplier Profile informational job aid. You now have the tools and knowledge to effectively manage your iSupplier Profile. Should you run into any problems or if you have any questions, please feel free to contact the Supply Chain Help Desk:
