

## New Login for visitors, colleagues and SARAPE customers

On Monday, April 6, 2015, Sandia National Laboratories will have a new Login page with several selections. This will enable Sandia to offer alternate forms of authentication, providing collaboration sponsors savings on costs and adding flexibility for services that require two-factor authentication and that have traditionally required SNL to issue the user a CryptoCard. Please note that SNL issued CryptoCards will continue to work, but we are also offering additional options. Login guidance is included below.

New Login Page:

 **Sandia National Laboratories**

Choose an authentication method:

**CryptoCard**

**HSPD-12 Card/PIV Badge**

New Pilot Capability - Optionally login in from your home site. For more information go [here](#).

**Select Your Site**

**Legal Notice Reminder - SF 2902-NTU (3-2009)**

## Renew Accounts Through SARAPE

a SARAPE user from LLNL or LANL

Do the following to register your Trusted Identity Provider and login to Sandia with your local (LANL or LLNL) username and CryptoCard or Token rather than the Sandia-issued CryptoCard and username.

- Go to <http://sarape.sandia.gov>
- Click either **Start Here** or **Submit a Request**
- From the “Login Options” page, select **I’m from LANL, LLNL, or SNL**
- From the “Select an identity provider” page, under “Or choose from a list:” select **your site** from the dropdown window and click **select**

You will be re-directed to your site (LANL or LLNL) to

- authenticate at your site
- with your site-issued username  
(**LLNL users should login with their LC identity**)
- and your site-issued CryptoCard or token

After successfully logging in at your site, you will be re-directed to the SARAPE request form with your email address filled in.

- Under Request Type, select Renew Existing SNL Cyber Access/Accounts
- Click **Continue**
- The SARAPE request form will be pre-populated with your information, fill in any blank, required fields. (Denoted by \*)
- In Step 3, select Sandia National Laboratories
- From the list of accounts, select all the accounts you currently access. IDP will automatically be provided as an Associated Resource.
- Provide the missing information; justification, etc.
- **Submit** the request.
- You will be asked to provide PII
- **Submit** the request.

Once approvals are completed, you may login to select Sandia machines and applications following the instructions for “A SARAPE user from LANL or LLNL” above.

Once you login successfully with this method for a couple of months, and you do not require your SNL CryptoCard for any Sandia resource, you may return your CryptoCard to Sandia as instructed in “Return your Sandia CryptoCard.”
