

Seeking Applicants for the Prestigious

Exceptional service in the national interest

Jill Hruby

Distinguished Postdoctoral Fellowships

CULTIVATING FUTURE LEADERS IN NATIONAL SECURITY

The prestigious **Laboratory Director Jill Hruby Postdoctoral Fellowship** in national security science and engineering is designed to empower early career researchers while nurturing their potential for technical leadership. As a Hruby Fellow, you will:

- Pursue Independent Research
- Engage in Leadership Development:
 - Serving on internal research proposal selection committees
 - Engaging with government relations to understand national decision-making processes
- Access Cutting-Edge Facilities
- Receive Expert Mentorship

Qualifications: PhD completion between October 1, 2024 and October 1, 2027 | Evidence of strong academic achievement, excellent technical accomplishment, leadership and ability to team effectively | Submission of the applicant information form, cover letter, and CV following the guidance described in the Application and Interview Process Overview section located on the website | Ability to obtain and maintain a DOE security clearance, which requires US citizenship

✉ EMAIL: hrubymfellowship@sandia.gov

Application deadline:
5 PM MDT, October 1, 2026

Sandia's competitive wage and benefits package includes:

- An annual salary of \$123,300 (\$139,600 CA)
- Flexible work arrangements
- 13 paid holidays and three weeks of vacation
- Health, vision, and dental insurance
- A 401(k) savings plan with company match

In addition to full salary and benefits for three years, fellows also receive yearly allowance of \$50K for computational projects or \$100K for experimental projects that can be used for research equipment, additional personnel, and travel.
