Sandia is committed to providing maximum, practicable opportunities for small businesses. All postings to this site solicit small and diverse small businesses to respond to the business opportunities listed. Responses received from small businesses will be evaluated to determine the feasibility of making any opportunity listed a small business set-aside.

**Small Business Commitment**
- Requirements of Socioeconomic and Business Classifications
- Qualification Requirements
- Top NAICS Codes
- Legal Disclosure

Sandia National Laboratories is a multimission laboratory managed and operated by National Technology and Engineering Solutions of Sandia, LLC., a wholly owned subsidiary of Honeywell International, Inc., for the U.S. Department of Energy’s National Nuclear Security Administration under contract DE-NA-0003525.
Click “Ask Question” link
Click the magnifying glass to select which employee you want to receive the answer.
